

Registering on the Patient Portal Intermountain Heart Center

Step 1: Go to IMHeart.com and click Patient Portal menu button.

This is the first screen shown in the Patient Portal

The screenshot shows the patient portal interface. At the top left is the Intermountain Heart Center logo. To its right is a language selector that says "Cambiar a Español". Below the logo, the text reads "Welcome to Intermountain Heart Center" followed by a description of the HealthCare Support Portal. A large banner for the "healow" app is displayed, including download instructions for the App Store and Google Play, and a unique practice code "CECBDA". On the right side, the "LOGIN TO YOUR ACCOUNT" section is highlighted in blue. It includes a note about verification codes, a "Using Mobile Phone" button, an "OR" separator, a prompt to "Enter the details below", and input fields for "User Name" and "Password". There are also "Trouble logging in" and "Login" buttons, and a "Pre-Register" button at the bottom.

Step 2: If you are in our office, you will receive your log in information from our staff.

If you did not get this paper while at your office visit, call us at 801-281-4278, contact us on [OhMD](#), or contact us through [secure email](#) . We will provide that information for you.

Hello Ace Faker

We have exciting news regarding your health care!

As we continue in our efforts to provide you, our patients, with the highest quality of care, we are constantly looking for methods of working together with you to ensure that you are not only aware of but also involved in the maintenance and improvement of your health.

To that end, we are proud to announce that our practice now offers you the opportunity to use the power of the web to track all aspects of your health care through our office. The Patient Portal enables our patients to communicate with our practice easily, safely, and securely over the Internet.

The Portal is a secure and convenient place to manage your health records and those of your family members as well. Here are just some of the many features that think you will find useful.

Some of the portal features

Medical History

View your medical history (and that of family members). Medical History includes your Problem List,

Allergies, Immunization Record, Lab/imaging/procedure results, and Medication List.

Appointments

Schedule, re-schedule, or cancel appointments online. Receive appointment confirmation/reminder notifications.

Request Refills from your doctor

Request refills of authorized medications before you run out. Improved compliance means improved health outcomes.

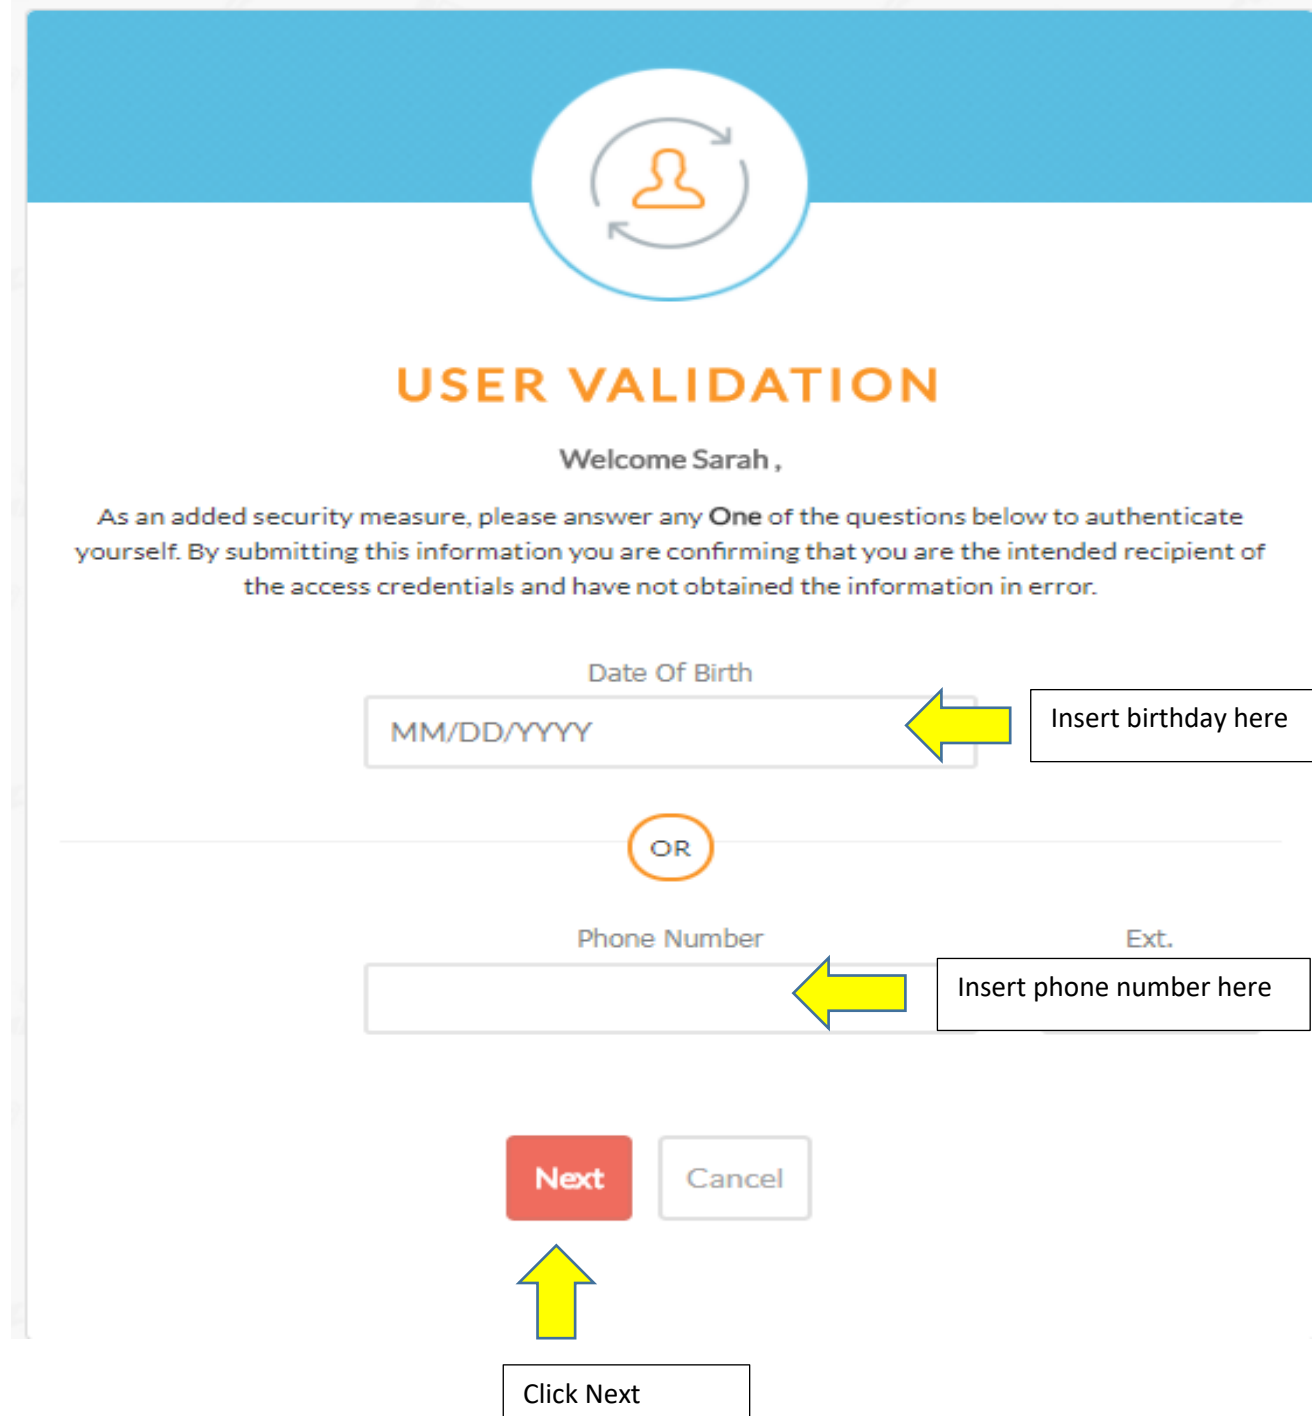

Lab Reports

View the results of labs, imaging studies, and procedures once your healthcare provider has reviewed them.

Begin today to take an active role in managing your health care!

Thank you

Step 3: Once you have entered your User Login and Temporary Password it will ask you to verify your identity – This can be done with your date of birth or your telephone number (the main number we have on file at our office).

The form features a blue header with a circular icon containing a person silhouette and two arrows. Below the header, the title "USER VALIDATION" is displayed in orange. A personalized greeting "Welcome Sarah," is shown. A security notice explains that one of the following questions must be answered to authenticate. Two input fields are provided: "Date Of Birth" with a placeholder "MM/DD/YYYY" and "Phone Number" with a placeholder "Ext.". A yellow arrow points to the Date Of Birth field from a box labeled "Insert birthday here". Another yellow arrow points to the Phone Number field from a box labeled "Insert phone number here". At the bottom, there are "Next" and "Cancel" buttons. A yellow arrow points to the "Next" button from a box labeled "Click Next".

Step 4: Create a new password and answer a security question.

Remember to write this down somewhere safe so you don't forget it.

The image shows a web form titled "RESET PASSWORD" with a blue header bar containing a circular icon of a padlock with a refresh arrow. Below the header, the text reads: "Congratulations, You have authenticated yourself. Please Select your new Password. Refer Password GuideLines to create secure passwords." The form contains several input fields: "User Name" (with placeholder text "User Name"), "New Password" (with placeholder text "Create a New Password"), "Confirm New Password" (with placeholder text "Type password one more time"), "Security Question" (a dropdown menu with the selected option "Extra Security Question: Write this down also so you don't forget"), and "Security Question Answer" (with placeholder text "Security Question Answer (Case Sensitive)"). At the bottom right, there are "Submit" and "Cancel" buttons. Yellow arrows point to the "User Name", "New Password", "Confirm New Password", "Security Question" dropdown, "Security Question Answer" field, and the "Submit" button.

ARBITRATION AGREEMENT

Article 1: Agreement to Arbitrate: We hereby agree to submit to binding arbitration all disputes and claims for damages of any kind for injuries arising from the medical care rendered or which should have been rendered after the date of the Agreement. All claims for monetary damages against the physician, and the physician's partners, association, corporation or partnership, and the employees, agents and estates of any of them (hereinafter collectively referred to as "Physician?"), must be arbitrated including, without limitation, claims for personal injury, loss of consortium, wrongful death, emotional distress or punitive damages. We agree that the Physician may pursue a legal action to collect any fee from the patient and doing so shall not waive the Physician's right to compel arbitration

I have read the consent form and the above information.
